Long Tagline / Mini Bio:

Ray Palla is the author of Simple Triple Standard and Krill America. He was a large market radio broadcast news reporter and anchorman for almost three decades and then completely changed career paths to become a successful computer database programmer for near twenty years. He's held some type of paying job since he was eight years old when he started pushing his father's lawn mower across miles of their hometown. Ray has traversed the United States extensively from Seattle to Miami, and Boston to San Diego. He presently lives close to Austin with his RV packed and ready to travel and his imaginary word seeking dog, Ranger Wordsmith. His website is self-crafted at <http://RPalla.com>.
